The Bottomless Bag Revival

by Karl Rohnke

The Bottomless Bag Revival is Karls attempt to keep alive the original spirit, heart and fun associated with adventure/experiential education. Have you been hearing comments that adventure education has become just a series of "been there, done that" activities? Consider its not how many new activities are available, its how well use the old ones.

PA075 \$81.50

Adventure in the Classroom

by M. Henton

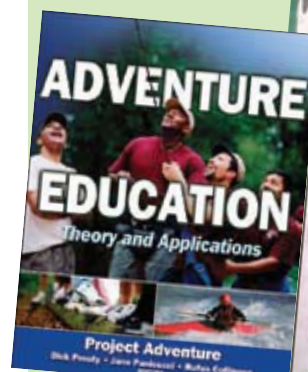

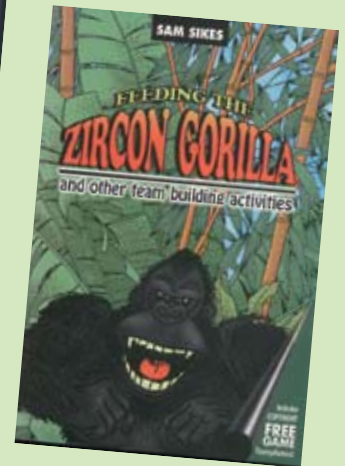

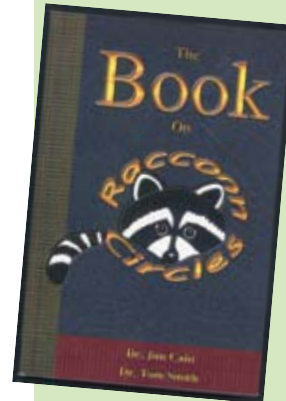

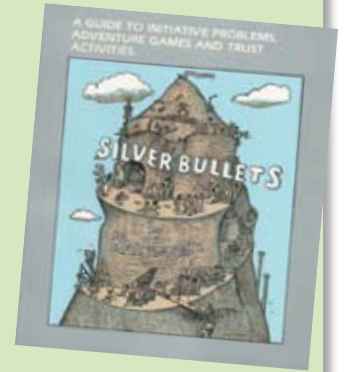

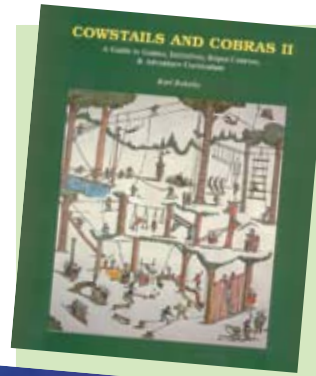

Using Adventure to strengthen learning in schools & build a Community of Life Long Learners.

PA017 \$87.80
